Return Policy

All returns must be accompanied by a return authorization form.

Cancellation

Once the order is in production, there can be no cancellations and the order will be invoiced in full.

Sizing Chart

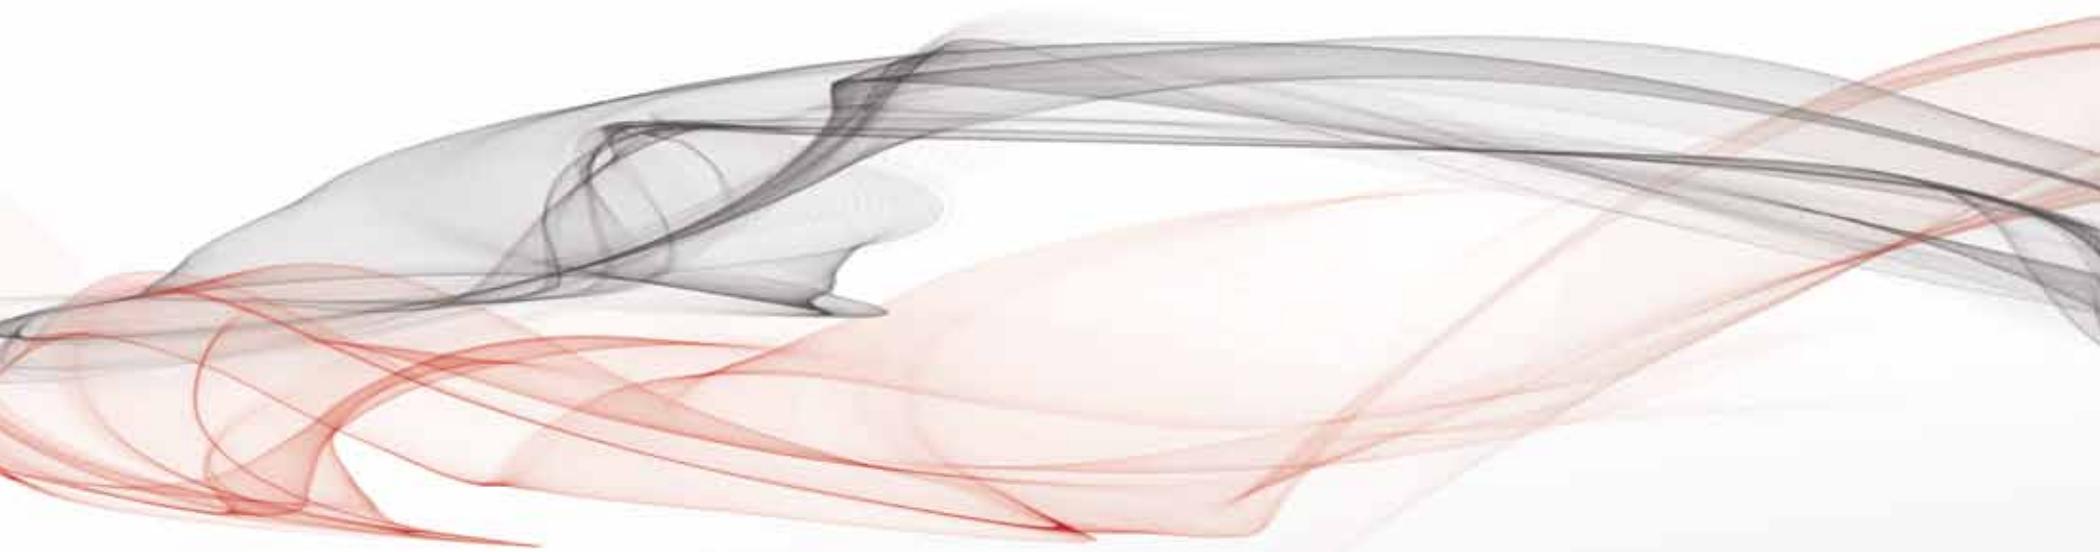

Our sizing chart should serve as a guide line in determining your size due to the fact that an individual's perception may vary. For best results, measure yourself and select the column that best represents your size. If all the measurements do not fall in the same column, choose the one with your largest measurements.
